

REMARKS

Claims 49-51 are all the claims pending in the application.

Allowable Subject Matter

Claims 49 and 51 are indicated as being allowed.

Claim Rejections under 35 U.S.C. § 101

Claim 50 is rejected under 35 U.S.C. § 101 as being directed toward non-statutory subject matter. Specifically, the Examiner refers to paragraphs 39 and 56 of the published application which recite “carrier wave media”, and asserts that at least in the case that the medium recited in claim 50 is a carrier wave media, the claim is directed toward non-statutory subject matter.

Applicant amends paragraphs 39 and 56 of the specification to delete the reference to “carrier wave media”. Accordingly, Applicant respectfully submits that claims 39 and 36 recite statutory subject matter and are allowable.

Conclusion

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
